"We Can Do Everything Related To Software Sector Without Any Excuses!"

AUTONOMOUS VISUAL COMPUTING & ENTERPRISE DEEP-TECH SYSTEMS • MANGALURU, KARNATAKA, INDIA

⚠ STATUTORY CODE OF CONDUCT & LEGAL COMPLIANCE NOTICE

This document constitutes the official Corporate Governance, Intellectual Property Protection, and Anti-Harassment Policy of HRL International Private Limited. Any intentional violation, defamation, cyber-bullying, or unlawful interference with our Central Government innovation initiatives will attract **mandatory First Information Report (FIR) criminal proceedings, police prosecution, and institutional government case filings**.

1. SCOPE & SOVEREIGN PROTECTION OF GOVERNMENT INNOVATION INITIATIVES

HRL International Private Limited actively engineers deep-tech architectures aligned with **Government of India and State of Karnataka Strategic Innovation Initiatives** (including Startup India SISFS, Karnataka ELEVATE 2026 Idea2POC, and MeitY programs). All project documentation, algorithmic designs, software repositories, and research initiatives are sovereign company assets created for national technological advancement.

2. ZERO-TOLERANCE POLICY: CYBER-RAGGING, PUBLIC MOCKERY & CHARACTER ASSASSINATION

The Company strictly enforces a **Zero-Tolerance Policy** against any form of harassment, ridicule, or targeted humiliation against its founders, engineers, team members, or project initiatives in any forum (academic groups, digital channels, professional platforms, or physical premises):

- Prohibition of Digital Ragging & Ridicule:** No individual, student, or peer group shall mock, demean, or insult company research or personnel in private or public communication forums.
- Prohibition of Coordinated Bullying:** Premeditated group mockery, derogatory meme creation, or verbal sabotage targeting our personnel constitutes severe psychological intimidation.
- Prohibition of Corporate Defamation:** Spreading malicious falsehoods, ridiculing government project credentials, or degrading company reputation in front of peer groups is strictly actionable under civil and criminal law.

3. INTELLECTUAL PROPERTY, SOURCE CODE & TRADE SECRET PROTECTION

All algorithms (Constraint Satisfaction Solvers, dynamic K-Means, low-level GPU shaders in Apple Metal and NVIDIA CUDA, ONNX neural depth pipelines, and REST API controllers) are protected intellectual property:

- Reverse Engineering & Code Scraping:** Any unauthorized inspection, decompilation, or tampering with company codebases is punishable under the Copyright Act, 1957 and Patents Act, 1970.
- Client-Side Security Breach:** Bypassing application protection shields or deploying automated web scrapers will trigger immediate cyber-crime complaints under Section 66 of the IT Act, 2000.

4. MANDATORY STATUTORY PENALTIES & LEGAL CONSEQUENCES FOR VIOLATORS

STATUTORY ACTION PROTOCOL UPON BREACH:

Any individual or group found guilty of violating these guidelines will be subject to immediate legal retaliation across three mandatory tiers:

- Criminal FIR Registration:** Immediate complaint lodged before the **Mangaluru City Police / Cyber Crime Police Station (CEN)** under **Sections 351, 352, and 3(5) of the Bharatiya Nyaya Sanhita, 2023 (BNS)** and **Section 66 / 66E of the Information Technology Act, 2000**.
- Anti-Ragging Prosecution:** Mandatory reporting to the **UGC National Anti-Ragging Cell** and Institutional Anti-Ragging Committee under the **Karnataka Prohibition of Ragging Act, 1998** (Cognizable & Non-Bailable with mandatory suspension/expulsion).

3. **Civil Damages & Government Case Filings:** Filing of commercial tort and civil damage suits claiming exemplary compensation for damage to corporate reputation, commercial goodwill, and mental agony.

5. ENFORCEMENT AUTHORITY & DIRECT LAW ENFORCEMENT LIAISON

The Legal and Security Directorate of HRL International Private Limited maintains direct liaison with the **Office of the Commissioner of Police, Mangaluru**, the **Mangaluru Rural Police Station**, and **Central Regulatory Authorities**. Digital chat records, timestamps, member rosters, and IP telemetry are forensically preserved as admissible evidence under Section 65B of the Indian Evidence Act.
